Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Borough of Elmwood Park's Market Street Improvement project in fiscal year 2024. The entity to receive funding for this project is the Borough of Elmwood Park, located at 182 Market Street, Elmwood Park, New Jersey, 07407. The funding would be used for roadway and lighting improvements on Market Street between Caruth Avenue and Midland Avenue in the Borough. The project is an appropriate use of taxpayer funds because improved lighting and visibility would promote security and increase the quality of life of residents by ensuring the safety of drivers, riders, and pedestrians. The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
